

This worksheet is here to **save you time** and help you **find information** through the power of keywords!

Whether you are using Google or a library database, keywords help you find information.

This worksheet will help you to turn key concepts from your research question into keywords, and come up with some synonyms to more effectively search for the information you need.

This activity **works best with a partner!**

Check out some more great keyword tips at <https://guides.lib.uconn.edu/findinformation/keywords>

Generating Keywords
